

Summary

Experienced IT Professional with 3 years of experience in Identity and Access Management (IAM). Expertise in user account provisioning and de-provisioning (manual & automated). Skilled in automation using PowerShell, and REST API integrations. Proficient in managing SSL/PKI certificates and ensuring compliance. Strong record of streamlining IAM processes to improve security and efficiency.

Work Experience: Tata Consultancy Services (TCS)

IAM Analyst

Sep 2022 – Present

Access Provisioning & Identity Management

- Managed **Azure AD** and **on-prem AD** accounts, security groups, and role-based access, ensuring compliance with organizational policies.
- Managed Oracle user accounts in **Oracle EBS R12**, including provisioning, de-provisioning, and role assignments (manual and automate) using SQL and PowerShell.
- Designed and deployed workflow automation scripts **PowerShell** for user provisioning, de-provisioning, and AD clean-up, reducing manual effort by 60%.
- Built **REST API-based integrations** between ServiceNow and IAM systems (AAD/AD), streamlining request fulfilment.
- Supported **MFA, conditional access**, and identity troubleshooting for cloud applications.
- Ensured compliance in **SSL/PKI certificate lifecycle** management (Entrust, PKI).

Privileged Access Management – CyberArk

- Onboarded privileged accounts in **CyberArk**, managing safe permissions.
- Automated **bulk account creation & access assignments** using PowerShell.

Skills

- IAM Platforms** - Azure Active Directory, Active Directory, OIM, CyberArk
- Protocols & Security**: MFA, SSO, OAuth, RBAC
- Automation** – REST API, PowerShell, Python, Task Scheduler, SQL, GitHub
- Applications** – Oracle, Mainframe, AS400, MS Exchange
- Digital Certificates** – SSL using Entrust & PKI

Accomplishments & Achievements

- Automated four high-volume IT requests (~20+ hrs/month) using PowerShell + ServiceNow REST API, with Task Scheduler and a real-time monitoring dashboard; achieved 100% automation, eliminating manual effort and ensuring full visibility.
- Recognized multiple times by client for problem-solving, automation excellence, and security improvements.
- Special Initiative Award – 3 times in last 3 years

Education

Tagore College of Arts and Science

Bachelor of Computer Applications, CGPA: 89% (2022)
